

Snowy Range Academy

LETTER OF INTENT

This letter of intent indicates that you, the parent/guardian, would like to enroll your child in Snowy Range Academy. This statement of intent does not obligate you in any way other than to have your child put on our waiting list of prospective students. Should demand for space exceed capacity, a lottery will be used to enroll students on the waiting list. Lottery drawings are done as needed beginning in April. If your child's name is drawn, you will have 14 days to decide whether or not to enroll your child. If we do not hear back from you, your child's spot will be forfeited to the next child on the waiting list.

(Please complete one sheet per child)

I/we hereby express our intention to enroll our child in the appropriate grade in the Snowy Range Academy.
